NOTE

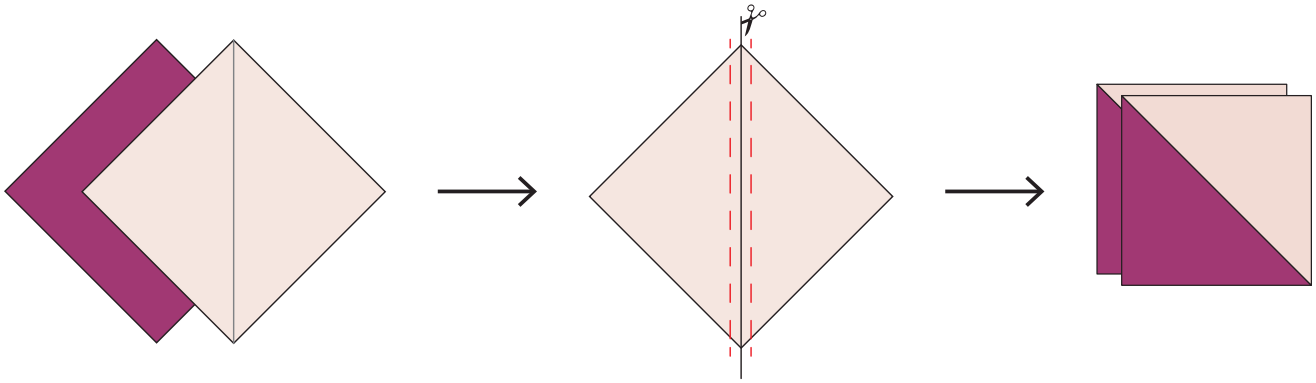
- Please read through all instructions before you begin.
- WOF = Width of Fabric, assumed to be at least 42" usable width.
- FQ = Fat Quarter, assumed to be at least 21" x 18".
- RST = Right Sides Together.
- Use scant ¼" seam allowance unless otherwise noted.

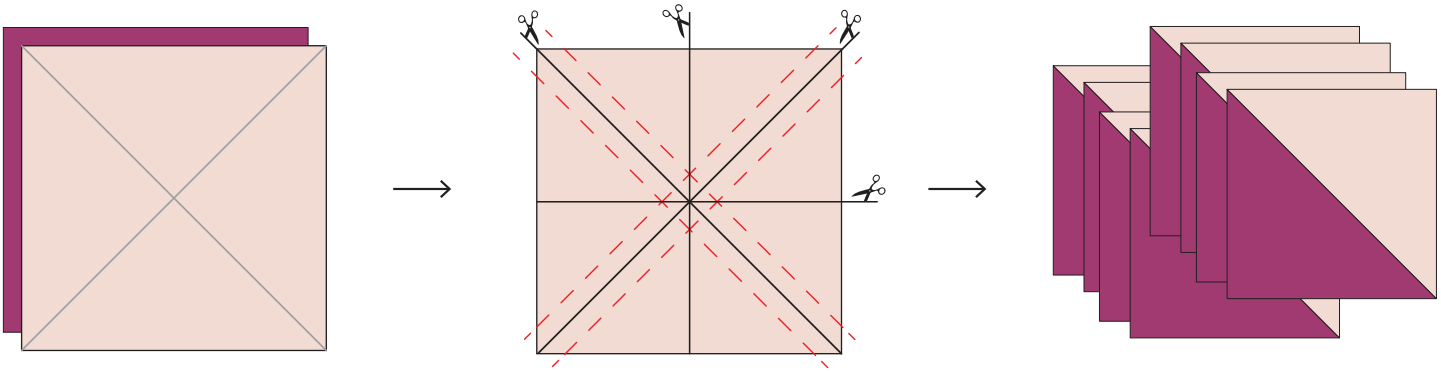
HALF-SQUARE TRIANGLE (HST) TECHNIQUES

This pattern uses many HSTs in multiple sizes, constructed using either the 2-at-a-time or 8-at-a-time method. These instructions illustrate the process that is used for all HSTs, regardless of size. Refer to each block instruction set for specific starting square sizes and HST trimming sizes.

2-At-A-Time HSTs

1. Gather 2 squares, one in each fabric.
2. Draw a diagonal line from corner to corner on the wrong side of one square.
3. Place squares RST.
4. Sew ¼" on either side of the drawn line.
5. Cut along the drawn line to create 2 identical HST units.
6. Press seams open or toward the darker fabric as desired.
7. Trim HSTs to the specified size.



8-At-A-Time HSTs


1. Gather 2 squares.
2. Draw 2 diagonal lines from corner to corner on the wrong side of one square.
3. Place squares RST.
4. Sew ¼" on either side of both drawn lines.
5. Cut vertically and horizontally across the square, and along both drawn lines, to create 8 HST units.
6. Press seams open or toward the darker fabric as desired.
7. Trim each HST to the specified size.
