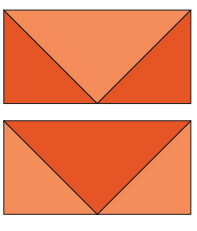
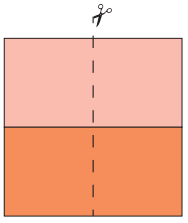
CREATE SEPTEMBER BLOCK

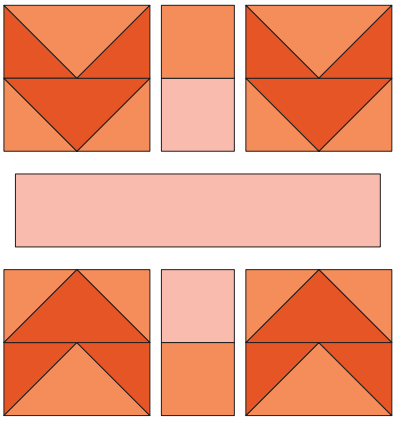
***Refer to the "4-at-a-time Flying Geese" instructions as needed.*

1. Use the 5¼" Fabric C square and (4) 3" Fabric D1 squares to make (4) C/D1 Flying Geese units. Trim Flying Geese to 2½" x 4½".
2. Repeat steps 1-2 with the 5¼" Fabric D1 square and (4) 3" Fabric C squares to make (4) D1/C Flying Geese units.
3. Sew (1) C/D1 Flying Geese unit to the top of (1) D1/C Flying Geese unit, with center triangles pointing down. Double check the arrangement; when sewn together, Fabric D1 will create a chevron shape pointing down. Press seam toward the bottom of the unit. Repeat to make (4) 4½" square corner units.



4. Sew the 2½" x 5" Fabric B1 and C rectangles together along the long edge. Press seam toward Fabric C. Cut this unit across the seam line to make (2) 2½" x 4½" B1/C units.





5. Sew a corner unit to each side of a B1/C unit to make a 4½" x 10½" row. The Flying Geese blocks will both point down, and the B1/C unit is oriented with Fabric C at the top. Repeat to make a second row.
6. Sew rows to the top and bottom of the 2½" x 10½" Fabric B1 rectangle to complete the 10½" square block. Note the orientation of the top and bottom rows; the Flying Geese should point toward the center of the block. Press seams open.
