2024 Block of the Month Pattern

CHARMWOOD

Finished Quilt Size: 58'' x 68''

QUILT ASSEMBLY

1. Sew the March block to the top of the April block.
2. Sew the June block to the top of the July block.
3. Sew the September block to the top of the October block.
4. To make the top row, sew the January, February, and March/April blocks together, in that order, inserting a 2½" x 20½" Fabric A sashing strip between each block.
5. To make the middle row, sew the May, June/July, and August blocks together, in that order, inserting a 2½" x 20½" Fabric A sashing strip between each block.
6. To make the bottom row, sew the September/October, November, and December blocks together, in that order, inserting a 2½" x 20½" Fabric A sashing strip between each block.
7. Sew 2½" x WOF Fabric A strips together end to end to make one long strip.
8. Measure the width of the middle row and cut (2) 2 ½" Fabric A strips to this length. It should be 54½", but if yours is slightly different, cut the strips to match your measurement. Set aside the remainder for step 10.
9. Sew rows together, inserting a Fabric A sashing strip between each row. Press all seams toward the sashing/border strips.
10. Measure the height of your quilt top through the center and cut (2)2½" Fabric A strips from the remainder from step 8 to match this height. It should be 64½", but if yours is slightly different, cut the strips to match your measurement.
11. Measure the width of the top, middle, and bottom row. Average the length and cut (2) 2½" Fabric A strips to this length. The strips should be 58½", but if yours is slightly different, cut the strips to match your measurement.
12. Sew 2½" Fabric A border strips to the top and bottom to complete the 58 ½" x 68 ½" quilt top. Press seams toward the borders.
